

The **Interregional Internationalisation Initiative University Network (3i Network)** founded by Ghent University, KU Leuven, University of Kent and University of Lille invites you to its inaugural forum, connecting universities, regions and the private sector to tackle shared challenges.

Save the date to participate in this event:

## Building an interregional agenda for the future

**May 6, 2020**

Région Hauts-de-France, 151 Avenue du président Hoover, 59555 Lille, France

Focus on four main themes:

**Marine & Maritime Challenges**  
**Trade & Economy**  
**Nutrition & Health**  
**Communities & Well-Being**

Come together with representatives from universities, regional governments and the private sector/civil society to work on challenges common to Flanders, Kent County and the Hauts-de-France.

**Formal invitation and more information to follow**
