

# Blue Science & Technology Summer Training 2021 - Application scholarship

30 August - 10 September 2021  
Ostend, Belgium

Thanks to the partners, the BlueS&T 2021 is pleased to allow a limited number of participants (master and PhD students) without paying the tuition fee. Simply apply for this scholarship!

Who is **eligible** for the scholarship?

- All master students (from any university, European and non-European).
- All PhD students (from any university, except UGent and KUL PhD students, as they can already participate without a tuition fee).

*Not eligible? Check if you are eligible for WECANet funding in this [folder](#).*

How to **apply** for the scholarship?

- Send an email to [Marine@UGent.be](mailto:Marine@UGent.be) with the subject 'Application Scholarship BlueS&T 2021'.
- Add your CV (max. 1 page) and a short motivation (max. 1 page).
- Deadline for application: 30<sup>th</sup> June 2021.

*Please note: travel and accommodation costs are not covered by this scholarship and must be paid by the student or his organization.*

Evaluation and selection of the candidates will be performed by the BlueS&T 2021 organizing committee. The candidates shortlisted for receiving the scholarship will be notified by email at the beginning of July.
